“ Positive Paths changed my outlook on my future... Today, I'm stronger, more resilient and ready to create the best life in front of me! -Scholar Recipient ”

Positive Paths is a 501(c)(3) non-profit organization serving women and their families in the East Valley of Phoenix, Arizona. We are dedicated to advocating for and supporting the economic stability and empowerment of women. Positive Paths is led by a group of forward-thinking East Valley leaders committed to encouraging others to invest in the futures of East Valley women in need, and to support women to be resilient and positive contributors to their communities.
